ANTI AGEING CREAM

Reduces lines and Retains skin elasticity

- ❖ Aging is the loss of the cells, tissues across the lifespan. Frequent exposure of skin to UV radiation can fasten this process by destroying the integrity of cells.
- ❖ Camellia sinensis which is widely used for making tea holds good anti-oxidation properties which can protect from the radiation.
- ❖ Camellia sinensis has been proven to mitigate the UV radiation risk because of its good ROS scavenging activity.
- ❖ Tulasi and Aloe vera hold good Anti-inflammatory properties and promote Anti-Aging. The soothing property positively affects glossy and glow complexion.

Ocimum sanctum leaves (Tulasi) 20 mg,
Camellia sinensis leaves (Caffeine extract) 30 mg
in perfumed Cream base. No color is added.

PACKING

50 gm Plastic Tube
with flip top cap.

ACNE N PIMPLE CREAM

Reduce Acne & Controls Breakouts

- ❖ Acne occurs when the sebaceous glands release more oil than usual. Acne typically occurs on Face (near foreheads), chest, shoulders where the hair follicles are more. These hair follicles are directly connected to Sebaceous glands. The cream goes into the skin and balances the oil content of the sebaceous glands.
- ❖ Pimples occur when the blocked hair follicles become inflamed or infected by bacteria. Ingredients like Nimba, Tulasi, Haridra, Daruharidra have High Anti-Inflammatory & High Antioxidant properties because of which this can provide an effective solution to the pimples & any other pigmentation.

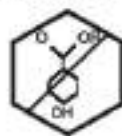

COMPOSITION

Each gram of cream is prepared from 4 mg of each of the following aqueous extracts:

Aloe barbadensis leaf (Kumari),
Azadirachta indica bark (Nimba),
Ocimum sanctum leaf (Tulasi),
Vetiveria zizanioides root (Usira),
Curcuma longa rhizome (Haridra),
Rubia cordifolia stem (Manjistha),
Symlocos racemosa bark (Lodhra),
Berberis aristata (Daruharidra),
Cinnamomum tamala leaf (Tvakapatra),
Carum carvi seed (Krishna Jeeraka),
Hedychium spicatum rhizome (Kachuralu)
and Glycyrrhiza glabra stem (Yastimadhu)
in perfumed cream base. No Colour is added.
Phenoxyethanol Sod. Benzoate added as preservatives.

FACE CREAM

Gives you soft and GLowing Complexion

- ❖ This Face Cream is prepared with 7 Authentic herbs from Ancient ayurvedic books to improve glossy and good complexion.
- ❖ Because of the dust particles and the pollution, the sweat glands will get blocked and slowly the skin loses its glossy complexion and becomes withered. This gets worse in winter leading to fissures.
- ❖ These Authentic herbs hold good Anti- Fungal Properties and are powerful detoxifiers which can wipe out dark effects, sun spots, and pimples.
- ❖ Manjistha, Red Sandalwood are natural dyes which can brighten the complexion of the skin.
- ❖ This cream can be used by people with any color as its main objective is to provide healthy glow to the face.

GENTLE WASH

Ultimate Herbal Wash for INTimate area

- ❖ Most of the ladies think that ordinary water and soaps is sufficient to clean vagina, but generally soaps are alkaline in nature i.e. PH will be 8 to 10 and water is neutral PH i.e. 7, so it will not help to clean vagina. Because of this unhygienic activity, the intimate area smells bad.
- ❖ Bello Gentle wash PH is between 3.5 to 4.5, which helps to maintain intimate area's PH and because of natural is infectants like Neem, Haridra, Tulasi, Vacha and Aloe vera cleans the area perfectly.
- ❖ Bello Gentle Wash is Sulfate free and Paraben free and No Color is added.
- ❖ Aloe barbadensis leaves in Bello Gentle wash are helpful for treating various skin problems such as itching, wounds and bleeding from minor cuts. It also helps to cure any type of skin allergies.
- ❖ Tea tree oil is known for its topical antiseptic and antifungal properties and has infection reducing benefits. It also has antibiotic properties and helps aid against ailments such as skin infections and rashes.

ANTI DANDRUFF JELLY

Help hair growth, Prevent itching.

- ❖ Bello Anti Dandruff Jelly is 100% Ayurvedic Preparation so it doesn't cause any side effects.
- ❖ Dandruff (Pityriasis Capitis) is associated with fungal infection caused on the scalp. Due to this infection skin will be flaked and there will be a rapid hair fall. Normally fungal infections are deeply rooted into the skin.
- ❖ While using shampoo, we are not giving enough time to penetrate to the root level as we are washing shampoo within a minute. Hence shampoos are not that effective in controlling dandruff. To overcome this problem prolonged duration of application of ointment is necessary, which is possible only with Bello Anti Dandruff Gel.
- ❖ Bello Anti Dandruff Gel is in the form of special jelly that penetrates into the skin quickly, gives fast results and moisturizes skin and increases the softness of the skin which prevents rapid hair loss and hair fall.
